DEADLINE REPORT ON DUES 2018-2022

FOR GENERAL INFORMATION AND CONSIDERATION OF ELECTORIAL COMMITTEE.
LAST REPORT.

Important remarks:

- Dues are determined by money received in our bank (that is: dues sent *minus* bank charges). In international transfers, may be more than one bank charges (the bank that sends, the bank that receives). This criterion applies for all remittances the same way.
- There are still two payments that are not included, since bank provides no info from payer, and I have no notice of the receipt. One of them may be credited to A. Smith (USA), not yet fully traced.
- Payments will be audited by treasurer, Dr. Varguese.
- Payments in Euros have been converted to USD, according to change rate 30/01/22; 1 Euro = 1,11 USD.
- According to Constitution, the amount received is converted to votes, by dividing by a factor dependent of the country classification in the World Bank. For full info about the full procedure, kindly see:
